Congratulations and I hope you and your guests enjoy lunch. Hopefully, the missing tool won't be found so easily this month.

**SYMPATHY**—Our thoughts are with the family of Mr. John Pippenger who passed away recently. His presence will surely be missed at the Club—especially on Men's Night.

Hello,  
My name is Bill Kuru. I was recently hired as the Chef at the Miscowaubik Club. My culinary tour began in my home town of Lake Linden. I then went on to Marquette where I attended NMU and broadened my cooking skills at The Portside Inn. With my degree in hand and a desire to move west, I ventured to Portland, Oregon. After a few years of training under some seasoned chefs and with some experience and an even greater love of food, I found myself back home-in the Copper Country.

I look forward to meeting all of you personally and to preparing some of my favorites for you.

Look here monthly for:
